What a fabulous Matariki celebration we had at Boulcott last week! It was such a special occasion from the moment you walked through the school gates. The corridor of artwork

completed by all our tamariki was breath-taking; backlit beautifully by sparkling lights and background music. The calling to the ceremony by the pūtātara (conch shell) was unique. It was amazing to hear so many of our tamariki speaking te reo Māori as they explained about the 9 whetū (stars) of Matariki. The bagpipes which were played in tribute to our recently lost loved ones was emotionally stirring. Performances by both our Junior and Senior Kapa haka rōpū were gorgeous. I know the children all loved having breakfast together and toasting marshmallows. This was possible thanks to the large braziers manned by dedicated members of our local Rotary club. There was a real feeling of community as we gathered together to celebrate Māori New Year, and there are lots of people who need special thanks for all their work to help this come together so wonderfully. Firstly to Pania Dewes and the whānau rōpū who set the stage, organised the performances and had the vision for our special celebration. Thank you to the Home and School Committee who did back stage work with food preparation and clean up. To our staff and tamariki for their stunning art work created for Matariki, thank you all. And to every other person, and there were significant numbers of you who were involved in making this such an amazing occasion, one to remember for a long time. Mānawatia a Matariki!

I have just had the pure pleasure of attending our school's Hutt Fest afternoon/evening on Tuesday night. What an outstanding performance by our Boulcott Kapa haka team. They really shone on stage - Ka rawe tamariki ma!! You were awesome. Yesterday at school there was a large team of parents helping out with hair, dressing, moko application, photography and general supervision of our rōpū. Thank you all, our children are a credit to you. Thank you and congratulations to Molly Weaver, Lucy Bould and the Kahikatea team who practised the group so well and had them ready to shine. Once again a huge thank you to Pania and her sewing team who made new very smart looking dresses for our girls this year. We certainly looked stunning and sounded amazing. Everybody's hard work certainly paid off.

This week we are saying sad farewells to two of our staff members: Lucy Bould and Fiona Ranchod. By the time you read this newsletter we will have formally said goodbye to them at a special assembly on Wednesday afternoon. They will be missed by all of us, especially the students in Room 16 and those students who have had reading support from Fiona over the years. We wish them all the best in their new roles - Lucy as a Kaiako at Kenakena school, where she attended as a student not that long ago, and Fiona in her role as an RTLB (Resource Teacher of Learning and Behaviour).

In Weeks 2 and 3 of next term on Thursday afternoon,1 August and Monday afternoon 5, August, we will be having our parent / student / teacher interviews. These coincide with Book Week celebrations at school including a Scholastic Book Fair and book character parade. What a great way to start Term 3!

I wish all our families a happy and safe holiday and look forward to welcoming you all back to school on Monday, 22 July from 8:30am.

Happy Holidays!

from Rachael and the Boulcott Team

#### **Boulcott School's Home and School Committee**

-

A group of parents and caregivers who work with the school and Whānau Rōpū to organise community events and fundraisers to support our school. We focus on creating events for our tamariki to enjoy, and opportunities to raise funds for school resources and initiatives, to help bridge the gap between the Government funding our school receives.

Some members will be moving on from Boulcott over the next couple of years as their tamariki head to Intermediate, so we're **calling for new members to join!** 

This is a great opportunity to ensure your tamariki can continue to enjoy the events they've grown to love.

#### School Reminder

### Stopping and parking safely near school

When children arrive or leave school each day, please make sure your driving behaviour is helping to keep them safe. Children and drivers need good visibility around school to be able to see each other. Parking restrictions are in place for this reason. They protect our children against possible injury.

Please park legally and safely at all times

- Do not exceed P5 or P10 time limits
- Park further away and walk with your child to or from the school gate
- If you need to turn around after dropping off/picking up, find a safe place well away from the school gate
- Always slow down as you approach school or pedestrian crossing

Thank you for your support

## **Yummy Stickers**

Keep bringing in your stickers!

Shop at your local New World, Pak'n Save, or participating Four Square stores.

Purchase Yummy apples, either bags with cut-out labels or individual apples with Yummy stickers. One cut-out label is worth 10 Yummy stickers!

Place the Yummy stickers on sticker collection sheets (available from your classroom teacher) and bring them into school.

Our Yummy stickers will then be converted into a winning share of the \$200,000 sports prize pool from DG Sport.

\*Newsflash: There is now an addition to the Yummy family - Hailstone Hero apple bags. A wild spring storm hit the Hawkes Bay, damaging a significant amount of the apple crop with hail. Although these look funny, they still taste yummy. The official cut-out is not on these bags, but you can collect the round bar-code sticker as 10 points. These are Yummy apples but branded Hailstone Heroes and available in both New World and Pak'n Saves.

Sticker collection sheets - you can print them from the Yummy Fruit website: <a href="https://www.yummyfruit.co.nz/schools/">https://www.yummyfruit.co.nz/schools/</a>

We have until the end of Term 3, so let's get munching!
